## WHY ARE WE HERE?

This exhibition is intended to inform you about the emerging proposals by CALA Homes for the former Royal Mail Sorting Office on Brunswick Road. This public consultation is part of the statutory planning process.

The purpose of this community consultation is to invite comments from the local community which will be taken into account as the final design for the site is developed.

Subsequent to this consultation process, CALA Homes propose to apply for planning permission to The City of Edinburgh Council.

## WHAT HAPPENS NEXT?

Subject to this consultation exercise and further discussions with The City of Edinburgh Council, it is proposed to submit a detailed planning application.

The applicant and the design team will take account of the comments made as they further develop their proposals.

A report will be prepared on the response received to this consultation exercise which will be submitted to the Council in support of the planning application.

## OPPORTUNITY FOR INVOLVEMENT.

We welcome your comments on what you have seen and heard today and would be grateful if you could fill in the questionnaire provided to you.
