## Mini Beast Hunt at Pilrig Park

Saturday 17th September 10am until 4pm

Come along and have fun hunting for mini beasts in Pilrig Park. We will be located by the children's play area. Hunt for bugs in all of the nooks and crannies of the park and help us to discover what's hiding in your local area!

- Drop in sessions from 10am - 4pm
- Wear appropriate clothing for the weather (waterproofs and good footwear)
- If it is raining or really windy we will unfortunately have to cancel the event.
- We will be next to one of the play areas so please come and find us (look out for the feather flag)
